

## **Business Impact**

### **Employees –**

The Governor is suggesting all employees, that are able, to begin working from home immediately, over the course of the next two weeks.

### **Employers –**

Please practice tolerance for employees and their families who may be feeling sick. Encourage and empower them to stay home. Remember, a few days of lower productivity is much better than spreading illness.

### **Resources -**

The Small Business Administration has set up some disaster relief programs to help in the case of lost revenue. Here is a link to further information.

#### [Small Business Administration Coronavirus Resources](#)

- Governor must request that the SBA declare an [Economic Injury Disaster Loan](#) declaration
- Loans up to \$2M will be made available to small businesses and private non-profit organizations, with interest rates set at 3.75% and 2.75% respectively
- Loans may be repaid up to 30 years. Terms are determined on a case-by-case basis based on the borrower's ability to repay
- Loans may be used to cover business operating expenses, including payroll
