Perhaps you've always wanted to soak in a geothermal crater or let the summer air blow through your hair while riding a historic railroad with your family and friends. Or maybe you are the adventurous type that prefers faster speeds and higher summits. If so, you'll love soaring through the air in one of our famous ziplines or mountain biking the WOW trail at Wasatch Mountain State Park.

And then there are the water activities: boating, rafting, fishing, windsurfing, and even paddleboarding — oh, and did we mention the inflatable playgrounds at Deer Creek and Jordanelle state parks? For the most daring to those looking to just enjoy all that summer offers, Heber Valley is like a backyard

playground and a perfect place to complete your own bucket list.
